Copper River Princess Lodge 2009 Weather Extremes

January 7, 2009: -39 degrees
July 5, 2009: 85 degrees

The lodge closes down completely every September and reopens in May.

To winterize the lodge, all heat and power are shut off. Any equipment that could freeze (computers, drink fountains - even pens!) are moved to a warm room. All pipes are drained of water, including bathroom facilities.
