Talkeetna Factoid:

The name Talkeetna means where the rivers meet.

Talkeetna was originally established in 1896 as a mining town and trading post.

The town of Talkeetna was the inspiration for the fictional town of Cicely, Alaska for the TV series Northern Exposure.

The population density of Talkeetna is 18.6 people per square mile.

Salmon Facts

The largest of the salmon family is the King salmon, which is also known as the Chinook salmon.

The Largest King salmon on record was 97 pounds 4 ounces.

Migrating salmon are able to jump waterfalls as tall as 12 feet.

Alaska Folk Lore

Alaskans believe when the last leaf of Fireweed turns white, winter is only six weeks away.

Mountain Facts

If at first you don't succeed...
A typical climbing season sees about 1,100 climbers attempt to summit Mt. McKinley. Only about half are successful.

The Alaska Range, home to Mt. McKinley, boasts 23 different peaks that exceed 10,000 ft.

State Facts

In 1867 United States Secretary of State William H. Seward offered Russia 7,200,000 or two cents per acre for Alaska.
