DENALI PRINCESS SIGNATURE CUISINE

King salmon is Alaska's official state fish and just one of five species in the Pacific salmon genus. Salmon are legendary fish with an extraordinary and complex life cycle. From the cold, clear fresh water of an Alaskan river or tributary, salmon migrate hundreds and, perhaps, thousands of miles to spend most of their lives in saltwater, then return home to their natal fresh water to spawn. Through tight regulation and conservation, wild salmon continue this natural process. The King Salmon Restaurant relishes the traditions and legends of Alaska and proudly serves foods of the region respecting and honoring its cooking customs.

Sea Salt Accented King Salmon

Grilled and dusted with gray sea salt. Served atop crimini mushroom English pea risotto with a beurre rouge sauce. 44

Asiago-Crusted Alaskan Halibut

Noted for its flavor and texture, prized Alaskan halibut is crusted with fresh herbs, Asiago cheese, Japanese bread crumbs and pan-seared. Finished with fried capers and lemon butter sauce and served with parmesan risotto and fresh vegetables. 35

🍏 Birch & Citrus Infused Grilled Salmon

Grilled fresh Alaskan salmon, glazed with our signature birch and citrus gastrique. Served with braised kale and Yukon Gold mashed potatoes. 32
